Legal Work from
H.R.Y.C.I 05-626-JJF

Clerk of Court-JJF, BD scanned

All my attempts to get my legal work from Gander Hill-(H.R.Y.C.I) has failed.

On July 14th, 06 at 10:54 AM, Capt. Michael McCreanor of OCC came to me and advised me that Gander Hill-H.R.Y.C.I "is not" going to send my property, and that I was to sign a Release of Personal Property Form and let my brother pick it up "or" it would be destroyed. I signed the form and immediately wrote a letter to my brother.

On July 22, 06, I received a return letter from my brother saying he did in fact pick up some property of mine from H.R.Y.C.I but did not specify if my legal work was there, I'm still waiting to find out what "if" any of the legal work is there.

Enclosed is the USM-285 forms for Dr. Ali, Dr. Aramburo and Dr. Fisher with (3) three new addresses, that are in connection with these defendants, However, if they still cannot be

served at either I would like to request that I may submit a motion to compel on H.R.V.C.I., F.C.M. 1575 McKee Road, Suite 201 of Dover, 19904, and C.M.S. 1201 College Park Drive, Dover De. 19904, to produce an affirmed address where the defendant may be served.

Also enclosed are copies of letters I've sent to these addresses requesting confirmation on the defendants 'and' to Mr. Scott Altman Q.S.A. of CMS for same.

I would also request that my case be given to the mentioned panel of Attorneys in my behalf at this time for I am unable to re-submit per the judge because I do not possess any of my legal work pertaining to case NO. 05-626-JJF at this time, and I need help in preparing an adequate discovery ect; and I will need all the time I can get. I really appreciate any and all help.

Respectfully Submitted
Ricky J Hamby
